To the best of my knowledge, the questions on this form have been accurately answered. I understand that providing incorrect information can be dangerous to my (or professionals) health. It is my responsibility to inform the dental official of any changes in medical status.

At Chicago Dental Solutions, we believe that **you deserve the best care**. That's why we always present you with the best dental solution possible to treat your personal situation. Each year we provide outstanding dental care to hundreds of patients. Some have dental benefits and some don't. Here are some important things you should know:

**(Please initial on each line)**

\_\_\_\_\_ Your dental benefits are based upon a contract made between your employer and an insurance company. **If you have any questions regarding your dental benefits please contact your employer or insurance company directly.** Dental benefit plans will never pay for completion of your dental care. It is only meant to assist you.

\_\_\_\_\_ **We estimate your portion based on the most up-to-date information we have,** but it is **ONLY AN ESTIMATE**. If you would like to know your insurance benefit, we will be happy to file a "pre-treatment authorization" with your insurance company prior to treatment. Keep in mind that this also is **not** a guarantee of coverage. This does delay treatment but will give you the out of pocket figures you may require.

\_\_\_\_\_ We will bill your insurance company as a courtesy. **If insurance does not pay within 90 days, The Chicago Dental Solutions reserves the right to request payment in full for services from you** and let you collect the insurance funds that are due to you. This is rare but it is important that you recognize that the insurance you have is a legal contract between YOU and your insurance company. Our office is not, and cannot be a part of that legal contract. Ultimately, you are responsible for all charges incurred in our office.

\_\_\_\_\_ **The Chicago Dental Solutions does require payment in full for your portion at the time of service.** We accept all major credit cards, cash, and checks (there is a return check fee of \$15). If you are in need of an extended finance option, we also work with CareCredit, who offers 6 or 12-month no interest loans. There is a onetime finance charge that The Chicago Dental Solutions will pick up in order for our patients to receive prompt care.

\_\_\_\_\_ **A specific amount of time is reserved especially for you and we strongly encourage all patients to keep their appointments. If you must change your appointment, we require at least a 48-hour notice** in order to avoid a \$50 per appointment hour cancellation or no show fee (emergencies are exceptions). For appointments 2 hours or more a credit card will be kept on file to hold that appointment. Failure to show to that appointment, your card on file will be charged the cancellation/ no show fee of \$50 per appointment hour.

I, \_\_\_\_\_, agree with the above conditions.
